Time Roles

Chennai, Tamil Nadu, India

Summary

A dedicated student pursuing education at SRM IST Vadapalani Campus, specializing in Software Development. Based in Chennai, Tamil Nadu, I am passionate about technology and innovation, consistently working towards building my expertise in the field. With a strong foundation in emerging technologies and a commitment to excellence, I aspire to make a meaningful impact in the software development industry.

Experience

Google

11 months

India Representative (Top 6 India AI Impact Summit 2026)

February 2026 - Present (6 months)

Delhi, India

Achieved the "Top Candidate" status, securing a spot in the Top 0.0001% of ambassadors nationwide.

Achievement: A chance to have a Meeting with Google CEO Sundar Pichai Sir.

Impact: Spoke about the Program's reach, How it helps youngsters, how it can be moved forward, etc.

India Representative (Top 5 Winning Candidate)

December 2025 - May 2026 (6 months)

Dubai, United Arab Emirates

Achieved the "Winning Candidate" status, securing a spot in the Top 0.0001% of ambassadors nationwide.

Achievement: Awarded a fully sponsored mentorship trip to Dubai to attend the AI Film Festival.

Impact: Recognized for deep-dive AI knowledge and "relentless consistency" in driving community growth.

Student Ambassador at Top Achievers Club (Top 0.001%)
November 2025 - December 2025 (2 months)

India

Identified as a top-tier ambassador (Top 0.01% India) based on sustained performance, leadership, and technical advocacy.

Strategic Impact: Moved beyond standard participation to drive real user engagement for Google technologies, specifically focusing on Gemini AI feedback loops.

Community Building: Successfully fostered a developer culture on campus, bridging the gap between students and industry-standard tools.

Excellence: Recognized for standing out through consistent high-quality execution of events and peer mentorship.

Google Student Ambassador
September 2025 - November 2025 (3 months)
Chennai, Tamil Nadu, India

Selected as an exceptional student leader to represent Google on campus and drive initiatives around AI innovation and technology adoption. This role focuses on promoting Google's tools and fostering a culture of learning and collaboration within the student community.

Key Responsibilities:

Led AI awareness and conducted workshops to educate students on the latest developments in artificial intelligence.

Represented Google Gemini and organized hands-on sessions to increase the adoption and usage of Google's AI tools.

Collaborated with peers and university staff to host tech-related events, festivals, and learning sessions.

Served as a primary point of contact for Google, sharing insights and helping to connect students with Google resources and opportunities.

Shiftzzy

Student Ambassador

December 2024 - Present (1 year 8 months)

Chennai, Tamil Nadu, India

Excited to announce that I've joined Shiftzzy as a Student Ambassador!

This role allows me to represent a dynamic platform that simplifies the study abroad journey for students. From promoting innovative features like roommate matching and mentorship programs to organizing engaging campus events, I'm thrilled to contribute to Shiftzzy's mission of making relocation seamless and exciting.

Looking forward to a journey filled with creativity, collaboration, and impactful experiences!
